

McKee Risk Management, Inc. is committed to delivering specialized Underwriting, Claims and Risk Control to select groups of insureds through our established agents. As a Program Administrator, we recognize the importance of strong and deep relationships with both our carrier partners and our agents and brokers. Our relationship-driven model provides a stable base for our platform and enhances our ability to quickly and efficiently exceed the expectations of carriers, agents and insureds.

Partnering with highly-rated insurance carriers, we develop markets and underwrite admitted products specifically designed for commercial insureds in the following sectors:

- Construction
- Early Education & Child Care
- Mergers & Acquisitions
- Middle Market
- Property & Inland Marine
- Public Entity
- Schools
- Social Services
- Workers Compensation

With broad in-house underwriting authority and dedicated teams in each Program, McKee Risk Management, Inc. has forged strong relationships with carriers, enabling us to provide comprehensive insurance solutions to our clients.

We underwrite businesses we know and understand, and we are constantly interacting with agents and brokers who we have known for years. Our relationships have allowed us to grow profitably every year and achieve annual written premium in excess of **\$150M.**

Since 1999, we have successfully built our business by:

- Producing consistent underwriting profits for our insurance/reinsurance partners
- Maintaining new business hit ratios and renewal retention rates well above industry averages
- Providing responsive underwriting and customized claims and risk control services
- Offering competitive retail commissions and providing stable platforms for our agents/brokers

We welcome the opportunity to discuss our products and services in more detail with you.
